OnTrack Media will once again be working with one of Vancouver's leading mining companies, Platinum Group Metals (PTM), to produce their 2008 Annual Report.

"We're thrilled to be working with PTM on their 2008 Annual," states Shannon Ward, Principal of OnTrack Media. "We are very excited about the direction the company is going in, and we have a lot of ideas for this year's publication."

Ideas include eco-friendly stock and ink selections – OnTrack's response to meet Investor Relations' needs for accountability – both financially and environmentally.

"I have worked with OnTrack Media on an ongoing for Platinum Group Metals Ltd., MAG Silver Corp and West Timmins Mining Inc. Their creativity always amazes me as they continuously manage to come up with innovative design ideas," states Carrie Cojocari of Platinum Group Metals.

OnTrack has worked extensively with PTM over the past 5 years, on projects ranging from investor relations materials to tradeshow booths and collateral.
